Labview lab

Water level displaying

work group

- 1- Ahmed Mahmoud Ali
- 2- Mahmoud El-sayed Hussien
- 3- Mostafa El-sayed Gohary

present to

Eng . Hamdy Sultan

The Abstract :

Displaying the level of water by using ultrasonic sensor on the labview .

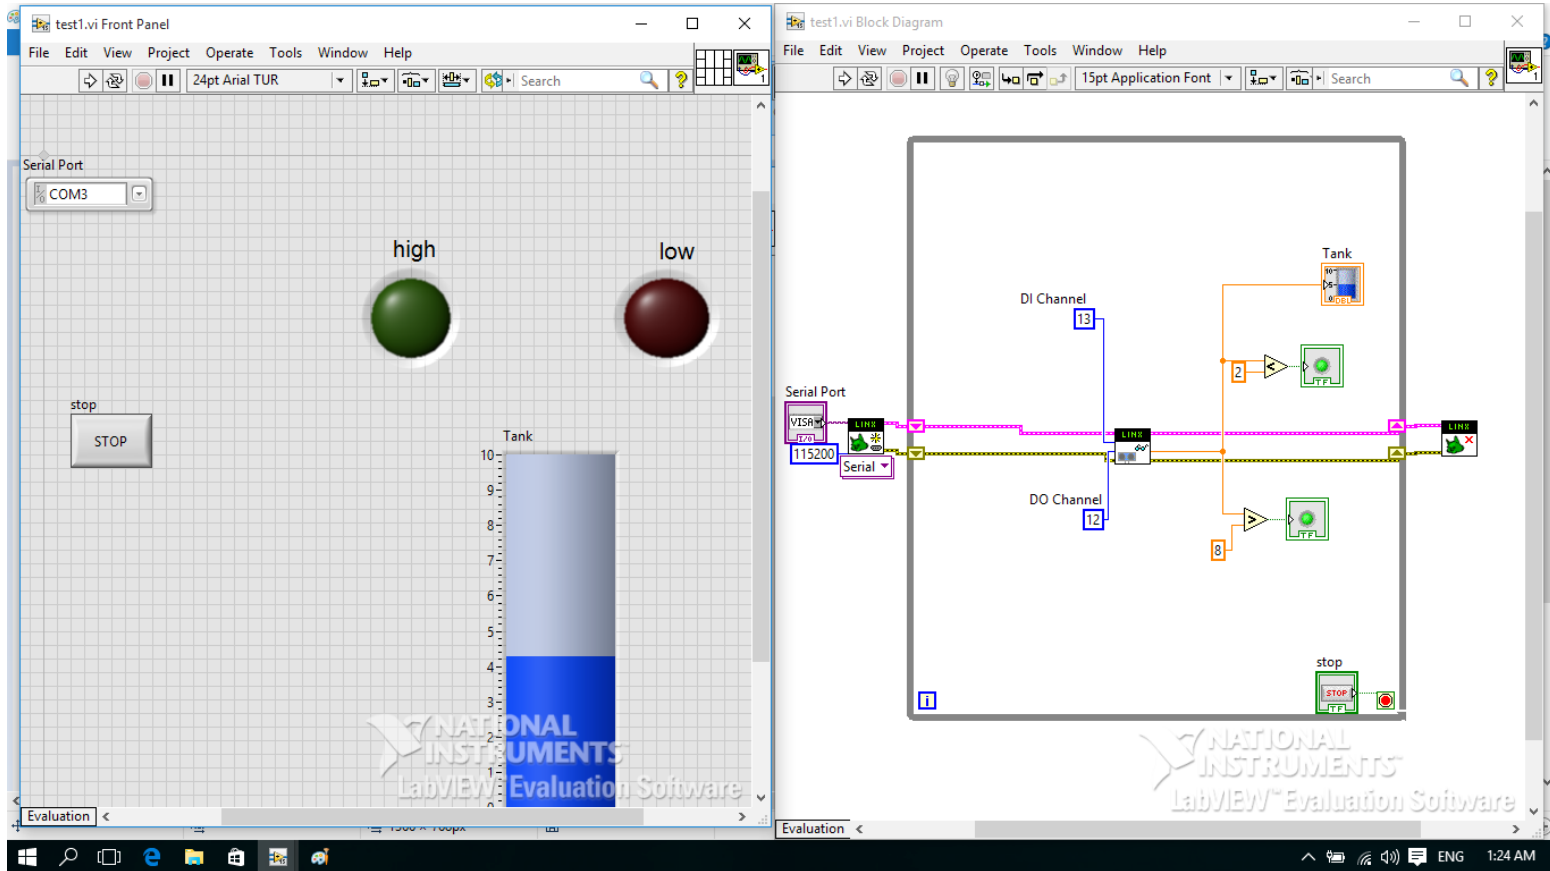

The hardware :

- 1- arduino uno .
- 2- HC-SR04 ultrasonic sensor .
- 3- 4 wires .
- 4- breadboard .

The software :

- 1- labview
- 2- arduino IDE

the code

the hardware
